

PRE-CONFERENCE

Monday, June 2

8:00AM - 12:00PM	WORKSHOPS	Pre-Hospital Resuscitation for the 21st Century
		Introduction to Ultrasound During Resuscitation
1:00PM - 5:00PM	WORKSHOPS	National Safety Council Training: Quality Assurance
		Review of NSC Courses
		12 Lead ECG Made Clear and Simple
		Public Access Defibrillation (PAD)
		American Red Cross Training Update - An Update for Instructors
		Resuscitation Officer Program

Tuesday, June 3

8:00AM - 12:00PM	WORKSHOPS	12 Lead ECG Made Clear and Simple (continued)
		Resuscitation Officer Program (continued)
		Life After Death: Gaining Insight into What Survivors Experience
		Eagles 2014: The State of Resuscitation Science
1:00PM - 5:00PM	WORKSHOPS	Therapeutic Hypothermia for Hospital and Pre-Hospital Care
		12 Lead ECG Made Clear and Simple (continued)
		Resuscitation Officer Program (continued)
		Resuscitating Simulation
		Eagles 2014: The State of Resuscitation Science (continued)
		Therapeutic Hypothermia for Hospital and Pre-Hospital Systems (continued)

Tuesday, June 3

5:00PM - 5:40PM	Opening Ceremonies and Welcome	
5:40PM - 6:15PM	OPENING PLENARY SESSION	Dip to Black: An Inspirational Glimpse of Sudden Cardiac Arrest from the Patient's Point-of-View
6:15PM - 7:00PM	KEYNOTE SESSION	From the Catbird Seat: Science Driving the New CPR and ECC Guidelines
7:00PM - 9:00PM	Opening Reception in Exhibit Hall	

Wednesday, June 4

7:00AM - 5:00PM	Registration Open	
7:00AM - 8:00AM	Complimentary Breakfast	
8:00AM - 8:25AM	Welcome and Opening Remarks	
8:25AM - 9:15AM	HANS H. DAHL AWARDS PRESENTATION	Creating a High Performance Resuscitation System
9:15AM - 10:05AM	PLENARY SESSION	Science Driving the Future of Basic Life Support
9:45AM - 4:15PM	Exhibit Hall Open	
10:05AM - 10:35AM	Morning Break in Exhibit Hall	
10:35AM - 11:25AM CONCURRENT SESSIONS	EAGLES, CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	Eagles: The 10 Most Effective Strategies and Innovations in Out-of-Hospital ECC
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	Mock Codes and Review of Actual Codes: The Ultimate Model of Correction and Reinforcement of Patient Management
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR & AED ISSUES)	Addressing the Needs of Survivors and Loved Ones
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	Shocked and Loaded: A Case for AEDs on Law Enforcement Vehicles
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	Making It Real: High Technology Simulation in ACLS and PALS
11:35AM - 12:25PM CONCURRENT SESSIONS	EAGLES, CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	Science Driving the Future of Resuscitation: Basic Life Support
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	Eagles: The 10 Most Effective Strategies and Innovations in Out-of-Hospital ECC
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR & AED ISSUES)	Quality CPR in Hospitals
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	Good Samaritan Laws: The Shocking Truth
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	MN SCA Survivor Network - Support, Education & Advocacy
12:25PM - 1:45PM	Lunch Break	
1:45PM - 2:35PM	PLENARY SESSION	To Push or Not to Push - Review of Mechanical CPR
2:45PM - 3:35PM CONCURRENT SESSIONS	EAGLES, CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	Science Driving the Future of Resuscitation: Advanced Cardiac Life Support
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	Eagles: The 10 Most Effective Strategies and Innovations in Out-of-Hospital ECC
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR & AED ISSUES)	Post-Resuscitation PCI: Indications, Controversies and Strategies
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	Organizing Cardiac Arrest Survivor Celebrations
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	Training High Risk Patients and Family Members Prior or Following Discharge
3:35PM - 4:05PM	Afternoon Break in Exhibit Hall	
4:05PM - 4:55PM CONCURRENT SESSIONS	EAGLES, CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	Science Driving the Future of Resuscitation: Advanced Cardiac Life Support
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	Eagles: The 10 Most Effective Strategies and Innovations in Out-of-Hospital ECC
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR & AED ISSUES)	Therapeutic Hypothermia: Practical Approaches to Clinical Implementation in the Hospital & EMS
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	A Rising Patient Population: Changing the Culture Surrounding Cardiac Arrest
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	OK! We Have Their Attention! Social Media, Mass Media and Resuscitation
6:30PM - 9:30PM	Boosting CPR Quality - Saving More Lives from Cardiac Arrest Inside and Outside the Hospital	
	A Celebration of Survivors & Rescuers Dinner 2014	

Thursday, June 5

7:00AM - 8:00AM	<i>Breakfast with the Experts</i>	
8:00AM - 8:15AM	<i>Opening Remarks and Introductions</i>	
8:15AM - 9:05AM	PLENARY SESSION	<i>National Emergency Cardiovascular Care Education Models: Where Do We Go From Here?</i>
9:05AM - 9:55AM	PLENARY SESSION	<i>Preventing and Treating Sudden Cardiac Arrest in Youth</i>
9:45AM - 2:00PM	<i>Exhibit Hall Open</i>	
9:55AM - 10:25AM	<i>Morning Break in Exhibit Hall</i>	
10:25AM - 11:15AM CONCURRENT SESSIONS	CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	<i>Empowering the Community to "BE 911"</i>
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	<i>Building Hospital Code Teams: Infrastructure, Staffing, Training and CQI</i>
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR AND AED ISSUES)	<i>Sudden Cardiac Death in the Young</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>National Emergency Cardiovascular Care Education Models: Where Do We Go From Here?</i>
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	<i>Opportunities and Challenges for Telecommunicator-CPR (T-CPR)</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>Poor SCA Response Rates Equal Dismal SCA Survival</i>
11:25AM - 12:15PM CONCURRENT SESSIONS	CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	<i>EMS Resuscitation Training for the 21st Century</i>
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	<i>Are You Stopping Too Soon? Outcomes of Pediatric CPR</i>
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR AND AED ISSUES)	<i>Legislative Landscape for CPR/AEDs in Schools</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>Score Points, Save Lives: Games in Resuscitation Learning</i>
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	<i>Hemodynamically Guided Resuscitation: A Model for the Future</i>
12:15PM - 1:45PM	<i>Lunch Break</i>	
1:45PM - 2:35PM	PLENARY SESSION	<i>When is Dead Dead? Evolving Concepts in Death Determination</i>
2:45PM - 3:35PM CONCURRENT SESSIONS	CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	<i>ROC Study Update</i>
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	<i>When is Dead Dead? Evolving Concepts in Death Determination</i>
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR AND AED ISSUES)	<i>National Overview of CPR/AED Components for K-12</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>1. Implementation of a Hospital-Based CPR Training Project in the Greater Philadelphia Area 2. Take Heart™ Austin TAKE10 Program</i>
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	<i>How Hard is It to Find an AED?</i>
3:45PM - 4:35PM CONCURRENT SESSIONS	CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	<i>Cardiac Arrest Analytics: Constructing and Reading the Dashboard</i>
	CLINICAL SOLUTIONS AND BEST PRACTICES FOR IN-HOSPITAL	<i>Feedback in Codes in PAD Environments and Hospitals</i>
	COMMUNITY: PREPARE, RESPOND, SURVIVE & THRIVE (CPR AND AED ISSUES)	<i>Sudden Cardiac Arrest Prevention with Youth Heart Screenings</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>Blended Learning: Maximizing the Effectiveness of CPR and First Aid Education</i>
	LATEST RESEARCH AND SCIENCE: NEW AND EMERGING CONCEPTS	<i>Debate: Benefits and Risks of Pre-Hospital Hypothermia</i>

To see a full description of events, visit www.eccu2014.com.

Friday, June 6

8:00AM - 8:30AM	<i>Opening Remarks</i>	
8:30AM - 9:20AM	PLENARY SESSION	<i>Casino AED Programs - The Secrets Behind Their Success</i>
9:20AM - 10:10AM	PLENARY SESSION	<i>Sweet Spots, Snappy Concepts & Stutter CPR: Pushing the Next Envelope in Cardiopulmonary Resuscitation</i>
10:20AM - 11:10AM CONCURRENT SESSIONS	CLINICAL SOLUTIONS AND BEST PRACTICES FOR EMS	<i>Citizen Responder Mobile App Optimal Team Dynamics of Pre-Hospital Cardiac Arrest Resuscitation</i>
	COMMUNITY: PREPARE, RESPOND, SURVIVE AND THRIVE - WORKPLACE AND SCHOOLS	<i>One Size Does Not Fit All: How to Improve Cardiac Arrest Survival in YOUR Community</i>
	EDUCATION/SIMULATION: INSTRUCTOR TOOLS AND TRAINING	<i>The Use of Gamification in CPR Skill Practice</i>
11:20AM - 12:00PM	AWARD ANNOUNCEMENTS & CLOSING	<i>William H. Montgomery Excellence in Education Award; ECCU Video Minute Contest Winner; People Saving People Award; ECCU 2014 Recap</i>
